

Comic Cases

Bengaluru, Karnataka.

C O M I C C A S E S

OFFER LETTER

Dear Sanha S. Firdose,

We are delighted to extend an offer to you for the position of **Web Developer** at **Comic Cases**. Your passion for solving customer interaction challenges and your commitment to developing a website with a superior user interface have truly impressed us.

Job Title: **Web Developer**

Job Description: In this role, you will be responsible for conceptualizing, designing, and implementing a website aimed at enhancing customer interaction for Comic Cases. Your primary duties will include, but are not limited to:

- Identifying customer interaction pain points and developing strategies to address them through a user-friendly website.
- Collaborating with cross-functional teams to gather requirements and ensure the website meets organizational goals.
- Designing and deploying a website with an intuitive user interface (UI) that enhances user experience and engagement.

We are confident that your skills in [relevant skills, e.g., web development, UI/UX design, problem-solving] combined with your enthusiasm and innovative ideas will significantly contribute to the success of Comic Cases in improving customer engagement.

We are excited about the opportunity to work together and are confident that you will excel in this role.

Warm regards,

Abhash Deep

{Co-founder}
